

Benefits of Implementing Beanstack in School Districts

Reverses COVID-19 Learning Losses

Accelerate reading recovery by motivating students struggling with phonemic awareness, vocabulary development, and other foundational reading skills.

Saves Time

Take advantage of ready-made reading challenges, reading content, gamification tools, and connections between school and public libraries to make reading fun and easy.

Improves Standardized Test Results

Increase standardized test scores in all subjects by improving students' overall reading comprehension.

2/3 Correct Answers

- ✓ To be safe from Zombies the characters live in a **tree fort**.
- ✓ There was a Monster **apocalypse** hit Jack's town.

Increases Student Performance

Boost reading participation for students of all levels and offer customizable goals, so struggling students and slower readers can earn badges and build confidence alongside skilled readers.

Owl
Read 10 Minutes
Hallow-Read Challenge
Completed on 10/7/22

Easy and Intuitive Platform

Use an integrated and user-friendly platform to allow teachers and staff to streamline reading logs, quickly track students' reading progress, and save time with lesson planning.
